

Bournemouth Business Awards

Individual Excellence Award Rising Star of the Year

OVERVIEW

An increasingly competitive accounting industry calls for professionals who are determined to make their services and work stand out and make a notable difference. This award recognises an outstanding accounting professional in the region who has demonstrated an exemplary commitment to success in their career in the accounting industry. It considers the activities, strategies and actions of the rising star in terms of positioning themselves for future success.

ELIGIBILITY

This award is open to accountants of all ages practising in the region during the last 12 months. Entrants must be in their first three years of full-time employment within the accounting profession after having completed applicable tertiary ..

QUALITATIVE CRITERIA

When did you begin working in the accounting industry? What year did you commence full-time employment in the accounting industry? What year did you complete your tertiary studies? Highlight key milestones in your career progression since entering the industry. Outline steps you have taken to stand out above your peers in last 12 ..

JUDGING CRITERIA

Judges will assess the nomination on the following areas:

- Examples of recent achievements for clients or the company
- Client service excellence
- Impact to firm or company
- Examples of innovation or initiative taken
- Professional development and willingness to learn
- Commitment and enthusiasm
- Team working and approachability
