Individual Excellence Award

Outstanding Leadership Award

OVERVIEW

The 'Mentor of the Year' award honors a remarkable individual who exemplifies the essence of mentorship. This category recognizes female leaders who have dedicated themselves to guiding and empowering others in their professional journeys. Nominees should demonstrate exceptional mentorship qualities, including empathy, wisdom, and a genuine commitment to fostering growth. Their mentorship should extend beyond the workplace, positively impacting the lives and careers of those they mentor. This award celebrates the profound influence of mentorship in nurturing talent, fostering development, and shaping the next generation of leaders. Nominate a mentor who inspires and empowers others to succeed.

..

ELIGIBILITY

To be eligible for the 'Mentor of the Year' award, candidates must be female professionals who have demonstrated exemplary dedication to mentoring others. They should have a proven track record of providing invaluable guidance, support, and ..

QUALITATIVE CRITERIA

The qualitative criteria for the 'Mentor of the Year' award emphasize the nominee's personal qualities and the impact of their mentorship.
